

Lisle Township and Republic Services
are getting ready to deliver your New Recycling Cart!

Lisle Township

Allied Waste is now operating as Republic Services

During the month of May,
you will receive a new recycling cart as
part of your subscription service.

5050 W. Lake Street
Melrose Park, IL 60160

PRSR STD U.S. POSTAGE PAID PERMIT NO. 4113 CHICAGO, IL

The new recycling cart program for the Lisle Township is easy, convenient, and useful.

- Refuse cart subscribers will receive a recycling cart at NO additional cost as part of their service plan.
- Recycling carts will be delivered beginning the week of May 21, 2012.
- Recycling carts are equipped with an attached lid and two wheels.
- No sorting – all recyclables can be placed in the cart together.
- Place oversized recyclable items that will not fit next to the cart and label “recycle.”
- NO program changes to garbage or yard waste collection, just a convenient recycling cart.
- Old recycling bins can be used for extra material or for storage.

What if I don't have space in my garage for a cart?

Contact Republic Services by May 14, 2012 to request a 35-gallon recycling cart.

(630) 964-3232

newtoter@republicservices.com

Can I use my recycling cart for trash?

NO. Recycle carts contaminated with trash will not be collected. Refuse carts are available by contacting Republic Services.

Additional information will accompany your cart when delivered (May 21 – May 31).
