LATEX PAINT RECYCLING PROGRAM

Latex Paint Recycling

- Residents can drop off their usable, unwanted latex paint during the designated summer collections free of charge.
- Usable paint is paint that has not been frozen, is less than 10 years in age and has not been mixed with other products.

Free Recycled Latex Paint (available starting June 13th)

- The paint will be filtered and re-blended into a variety of colors, types and finishes.
- Recycled paint will be distributed to residents for free during the same hours of collection.
- Paint is offered free of charge to any resident, business, non-profit, etc. in 5-gallon containers.

Location

Woodridge Greene Valley
Wastewater Treatment Facility
7900 S. Route 53, Woodridge
