BRANCH PICK UP BEGINS MAY 3rd

Bundled branches will be picked up SIX TIMES in 2021, beginning the FIRST MONDAY of MAY and continuing through October, starting on the first Monday of each month. If Monday is a holiday, then we start the next day.

The start dates and the rules are listed to the right. You may want to save this list so you can time your trimming to our pick-up dates.

Have your **tyed up bundles** at curbside or roadside by 6:30 a.m. on those Monday morn-

ings. Our crew is on a rotating street schedule and it may take them 3 to 5 days to complete the branch collection. They will visit each area and street only once.

Branches must be tied up in bundles. We will leave a “red tag” explanation if we don’t pick up your branches.

START DATES

MAY 3

JUNE 7

JULY 6 (Tuesday)

AUGUST 2

SEPTEMBER 7 (Tuesday)

OCTOBER 4

FOLLOW THESE RULES:

- ◇ **Branches cut to 4 feet**
- ◇ **Branch diameter 4 inches or less**
- ◇ **Bundles must be tied with twine or string (no wire or plastic)**
- ◇ **Bundles up to 25 lbs. only**

Did you know if you live in un-incorporated DuPage County, a permit/bond is required for most construction projects from DuPage and Lisle Township Road District?

Call our office and we can help you through our quick and easy process. Some examples are driveway, roof, decks, demolitions and additions.

There are a few projects that require county permits but are exempt from township permits. The Road District can issue waivers for examples such as fences, sheds without concrete floors, underground sprinklers and alarm systems.

Our program is intended to help homeowners with the disposal of tree and shrub branches that do not qualify as yard waste. If it fits in a yard waste bag it should not be in the roadside bundle for us. Our collection service is not meant to remove

whole trees. Please make other arrangements for removal when a tree is cut down.

Please don’t put your branch bundles in the street. Place them in the parkway closest to the curb or the edge of the road. Also, we may not be able

to pick them up if a parked car is in the way.

This township service is offered only to residences along the roads that we maintain in unincorporated Lisle Township. Please call if you are unsure if we service your road.

SIDEWALK SQUARES REPLACEMENT

Deadline Monday July 12th

To help homeowners replace cracked, raised or sunken sidewalks, Lisle Township Road District will pick up more than half the cost when we replace. Call 630-964-0057 or email:

highway@lisle-township.com by July 12th to be put on the sidewalk replacement list.

Your special cost will be \$1.25 per square foot which is \$31.25 for the typical 5' x 5' section. Mark the squares you wish to replace with a dot of white paint. Our superintendent will leave an invoice-agreement form after he measures. Return the form with payment in full. The work usually begins in August.

COVID — 19

Residents may register online with DuPage County Health Department to receive COVID-19 vaccine appointment notifications. Their website notes the following information. Please visit their website for the most up to date information: www.dupagehealth.org/covid19vaccine. It reads as follows:

Registering here allows us to contact you with specific information when appointments are available. Please note: you will not be able to schedule an appointment until the time is right!

- *Vaccination is by appointment only and dependent on vaccine supply.*
- *Eligible individuals will be asked to provide verification of their eligibility through either photo ID to confirm age-based eligibility or employment verification (Employee ID Badge, check stub, state licensure or certificate) to identify occupational eligibility.*
- *Based on limited supply of COVID-19 vaccine across the country and in DuPage County we anticipate it may take approximately 12 weeks to vaccinate the nearly 270,000 individuals in DuPage County who meet Phase 1b criteria.*
- *As the vaccine supply provided by the State of Illinois/IDPH is allocated based on county jurisdiction, DCHD is further prioritizing its administration of vaccine for individuals who reside, work, or attend college/university in DuPage County.*

• *Individuals presenting for vaccination at a DCHD location may be asked to provide verification of residence, employment, or school attendance within DuPage County.*

Vaccination prioritization will continue to change as COVID-19 vaccine supply increases in the coming weeks.

• *Vaccination prioritization will continue to change as COVID-19 vaccine supply increases in the coming weeks.*

LISLE TOWNSHIP NEWS

CAR CARE CLINIC

FOR SENIORS

Lisle Township Road District will again be the host location Saturday, May 8th, 2021 from 8:00am to Noon. Seniors may bring their cars in for a vehicle inspection. The event is hosted by Naperville/Lisle Triad at our garage adjacent to the Supervisor's building 4711 Indiana Ave. For more information call Jim Vondran at 630-968-2087.

DOCUMENT SHREDDING

Lisle Township and DuPage County are again co-hosting a free document (residentially produced) shredding event Saturday, April 17th, 2021, 9:00am to Noon. It will be held at the Lisle Township campus parking lot, 4711 Indiana Ave. in Lisle, IL. Residents may bring up to three (3) banker boxes or bags of documents for on-site shredding and recycling. Binder clips and plastic folders must be removed. For questions call Lisle Township 630-968-2087.

ROAD MAINTENANCE SCHEDULE FOR 2021

The township roads being resurfaced this season are listed below. Approximately 2 inches of surface is removed and replaced with new asphalt.

Naperville NW
Sherman Ave.

Naperville Country Estates
Oldham Rd. (201 to Dead End)

Plank Road Area
Burlington Ave.

Fairways
Green Trail Dr.

Hobson Creek
Creek Dr.
Chantilly Ct.
Olympia Ct.

Century Hill
Mayflower Ave.

Huntington
Bridlespur Dr.
Woodbrook Ct.
Sussex Rd.

Project start dates have not yet been determined.

FLYERS will be distributed to the homes along these streets about 5 days before construction begins. They will explain the repair process and outline any driving and parking restrictions.

We apply surface treatments to preserve and restore other township roads.

Microseal is applied to one lane is open for resident traffic. The sealants need up to four hours of drying time before the lane is opened. The sealants preserve and extend the service life of existing asphalt pavement. The following streets are scheduled:

Donwood
Donwood Dr.

South Lisle
Essex Rd.
Smith Rd.
Kohley Rd.

Reclamite is a sealant used on one year old roads and is reapplied every 4 years. About 14 roads are on this schedule.

Our reclamite contractor will seal one side of the street at a time, so at least

Crack-filling seals cracks too big for the other products to repair. Contractors clean out the cracks then fill them.

RESIDENTS living on streets where this work will be done will be notified by flyer before the work starts.

OUR goal is to provide safe, durable and attractive roads and right-of-ways, while minimizing inconvenience to residents.

SUSTAINABLE OPTIONS

DuPage County Residential Drainage Assistance Program

Why is there standing water in my drainage easement?

In some cases a drainage easement was designed to handle large amounts of runoff, thus leaving the area saturated for longer periods after a rain event. *Keeping areas clear of debris and allowing adequate sunlight to dry the area is helpful.*

Why is there standing water in my yard after a rain?

Many contributing factors can result in standing water on your property, ranging from the type of soils to topographical information. Some properties simply take longer to drain than others. Please consult our office for additional information regarding your specific parcel.

My neighbor is causing flooding on my property?

If you believe that someone in your area has affected drainage through construction, development, or sump pump runoff, please contact our The DuPage County Building Department at (630) 407-6700.

DUPAGE RIVER SWEEP

SATURDAY, MAY 15TH 2020 9:00AM—NOON

Join the fun and help sweep our rivers clean by picking up debris in and along local waterways and restore nearby land back to its natural state. To register or learn more, call The Conservation Foundation (630) 428-4500 x 121 or visit www.theconservationfoundation.org/sweep.

Lisle Township Road District

4719 Indiana Ave.

Phone: 630-964-0057

Fax: 630-964-7244

E-mail: highway@lisle-township.com
