

In order to limit personal contact and assist residents and contractors with permits, please fill out the attached Entrance Permit Application. Fax or email the application to us (see bottom of application) and our office will prepare a permit for you. We will contact you when it is ready and advise costs. You may mail in your payment. Once payment is received, we will email/mail the permit to you. (At this time online payment is not available.)

The following projects do not require a permit but will require a bond waiver to be issued to DuPage County. (Windows, Alarm System, Electric Only, Fence, Generator, Plumbing Only, Shed without concrete floor) Call or email us with the project address, name the county permit is under, type of project and tracking number if known.

Lisle Township Road District

Ed Young
Highway Commissioner
